## The Atom Station

### Synopsis

A film centred upon the dramatic and volatile landscape of Iceland; interfusing the cultural, political and ecological forces that shape the island. The film combines Iceland's remarkable terrain with two corresponding voice-overs from the past and present: poet W.H. Auden, reading 'Journey to Iceland' (1937), and environmental activist Ómar Ragnarsson.

## Camrex

### Synopsis

Camrex House is a notorious homeless hostel that for 40 years has upheld a fearsome reputation. Its skewed, in-house morality perpetuated by men with complex histories. Based on interviews with hostel residents, Camres constructs a series of unflinchingly visceral sequences that reveal a hidden world of untold stories.

# MANOMAN

## Synopsis

Glen is barely a man. In a desperate attempt to tap into his masculinity he attends a primal scream therapy session. Surrounded by wailing men he cannot even make a sound. When another member of the class pushes Glen too far he finally lets something out - a miniature version of himself which does whatever it wants, regardless of the consequences.

Official Selection BFI London Film Festival 2015 - Cult Strand
